

CONDUCT AN ENCORE!

ABOUT ENCORE

Encore Creativity for Older Adults is the nation's largest choral arts organization for adults 55 and older. Encore's mission is to provide all older adults the opportunity to perform under an experienced artist.

Encore ensembles draw thousands of singers and have performed in prestigious venues, such as the Kennedy Center and Strathmore Music Center.

START THE MUSIC!

Conducting an Encore Chorale or ROCKS program means improving the health of your community and serving a traditionally underserved population in the arts.

You'll help to serve as a thought-leader for creative aging, and provide older adults with a welcoming, healthy environment to experience the joy of singing.

PROGRAM OPPORTUNITIES

ENCORE ENSEMBLES

Traditional choral ensembles and rock 'n' roll groups singing four-part harmonies.

ARTS FOR LIFE

Therapeutic music programs to connect those with cognitive change and their care partners through song.

ENCORE UNIVERSITY

Online educational courses on musicianship, music history, visual arts, creative movement, and essential music skills.
